

7

WINNING STRATEGIES FOR SETTING UP DISTANCE LEARNING

1

Choose your digital tools among the options provided by your school

2

Plan times to meet with your students

3

Keep in touch with other teachers

4

Ensure you follow up regularly with your students

5

Plan times to be available for your students

6

Provide feedback to your students as often as possible

7

Reassure, guide and support your students

Don't hesitate to contact RÉCIT at any time for support
